- ★◦ Pioneer
- ★◦ Nova

Congratulations to ISRO on the resounding success of Chandrayaan 3! Your unwavering dedication to exploration has not only achieved remarkable milestones but also exemplified the spirit of collaboration. We applaud ISRO for embracing the private sector in India's space endeavors, ushering in a new era of innovation and possibilities.

# Key Highlights of SIA-India's dynamic contribution so far and Future Action Plan

As we look back on the accomplishments of the past year and set our sights on the journey ahead...

*At SIA-India, we remain committed to our mission of propelling the Indian space industry forward, and we look forward to the opportunities and achievements that lie ahead. - Anil Prakash, DG, SIA-India*

- Streamlined space authorization processes
- Push for liberalized FDI policy
- Dedicated deep tech startup policy
- Contribute to Defence Space Policy, Doctrine & Strategy
- Advocate for Space in Defence Offset Obligations and PLIs
- Shape satellite broadband policies
- Formulate policies for big data, data centers, and space manufacturing
- Focus on encryption, cybersecurity, IPR, and IFMC
- Leverage AI and ML for enhanced capabilities
- Advocate for tax rationalization to support space startups

## A Year of Stellar Achievements and Future Aspirations: SIA-India's 2023 Space Odyssey

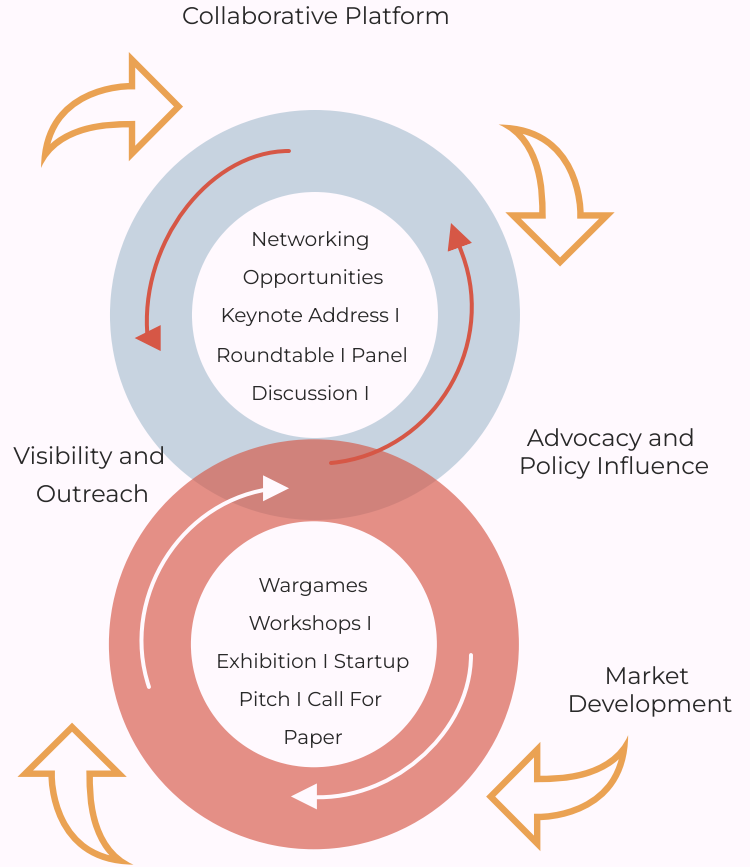

# Flagship Events: India Space Congress [ISC] and DefSAT Conference & Expo

In the realm of space industry synergy, SIA-India's annual flagship events, the India Space Congress (ISC) and DefSAT Conference & Expo are pivotal moments for collaboration, knowledge exchange, and strategic planning within the space & defence industry.

Members' engagement in SIA-India events and initiatives has seen a remarkable rise, reaching an impressive 86%. This substantial increase demonstrates the heightened interest and dedication of our members within the SIA-India community.
